INFORMATION SESSIONS
RFP 1613:
Project Implementation Funding

SPONSORED BY
THE NEW YORK STATE ENERGY RESEARCH AND DEVELOPMENT AUTHORITY

NYSERDA
New York State Energy Research and Development Authority

Could you use funding to install energy conservation measures?

More than $49 million is available as part of the American Recovery and Reinvestment Act (ARRA) funding through RFP 1613, *Project Implementation for the State Energy Program*, to implement energy efficiency, renewable energy, and clean fleet projects.

Do you have questions about RFP 1613?

NYSERDA is sponsoring a series of one-hour sessions, which will provide an overview of RFP 1613 and "tips" for funding success in Round 2.

Would you like assistance with the RFP 1613 application process?

NYSERDA has contracted with Malcolm Pirnie, Inc. to provide application support for the municipal sector at no cost to the applicant. Services will be provided on a first-come, first-served basis. Learn more about this free service at the information session nearest you.

There is no time to delay!

The application deadline for Round 2 of RFP 1613 is:

November 23, 2009

RFP 1613 materials may be downloaded at:
