A Note from the LIFE Chairman

The sessions and speakers for the six 2013 LIFE Regional meetings are almost finalized and they promise to be exciting, informative, and very useful to your work in the low-income energy field. Along with meeting many professionals in our field, expect to learn about storm-recovery efforts, LIFE's new social media programs, low-income energy policy, education and advocacy, best practices, and new information on emerging energy issues in interactive presentations. The six regional meetings will also focus on specific

Low Income Forum on Energy

LIFE, the Low-Income Forum on Energy, is a unique statewide dialogue. LIFE brings together organizations and individuals committed to addressing the challenges and opportunities facing low-income New Yorkers as they seek safe, affordable and reliable energy. Sponsored by the New York State Public Service Commission and underwritten by the New York State Energy Research and Development Authority (NYSERDA), the LIFE dialogue encourages an interactive exchange of information and collaboration among the programs and resources that assist low-income energy consumers.

While the LIFE program is based in NY State this LinkedIn group is open to anyone worldwide that works on these important issues.
