Program Opportunity Notice 2033: Clean Energy On-the-Job Training

Adele Ferranti
December 4, 2013
PON 2033 Overview

- NYSERDA and NYSDOL partnership to help businesses hire new workers and provide OJT to help workers develop the skills necessary for clean energy careers (OJT plans, skills assessment, finding workers).
- OJT is designed to teach the trainee technical occupational skills (skills that apply to the specific technical job the trainee is entering, such as conducting an audit or installing a PV system).
- The maximum OJT award for a newly hire is 50% of the employee’s wage for a maximum of 6 months, capped at $15,000 per employee.
- OJT awards for multiple employees with a maximum award amount of $150,000 per employer for the wage subsidy.
- PON being revised (incumbent workers only and funding for off-site training being eliminated).
