

NYSERDA

Alliances for Low-Income Solutions

If you want to go fast, go alone.
If you want to go far, go together.

John Scicchitano
May 26, 2016

Engineering: Complex problems, limited resources

...whether in West Africa or New York

New York State Clean Energy Fund

Global Climate Change

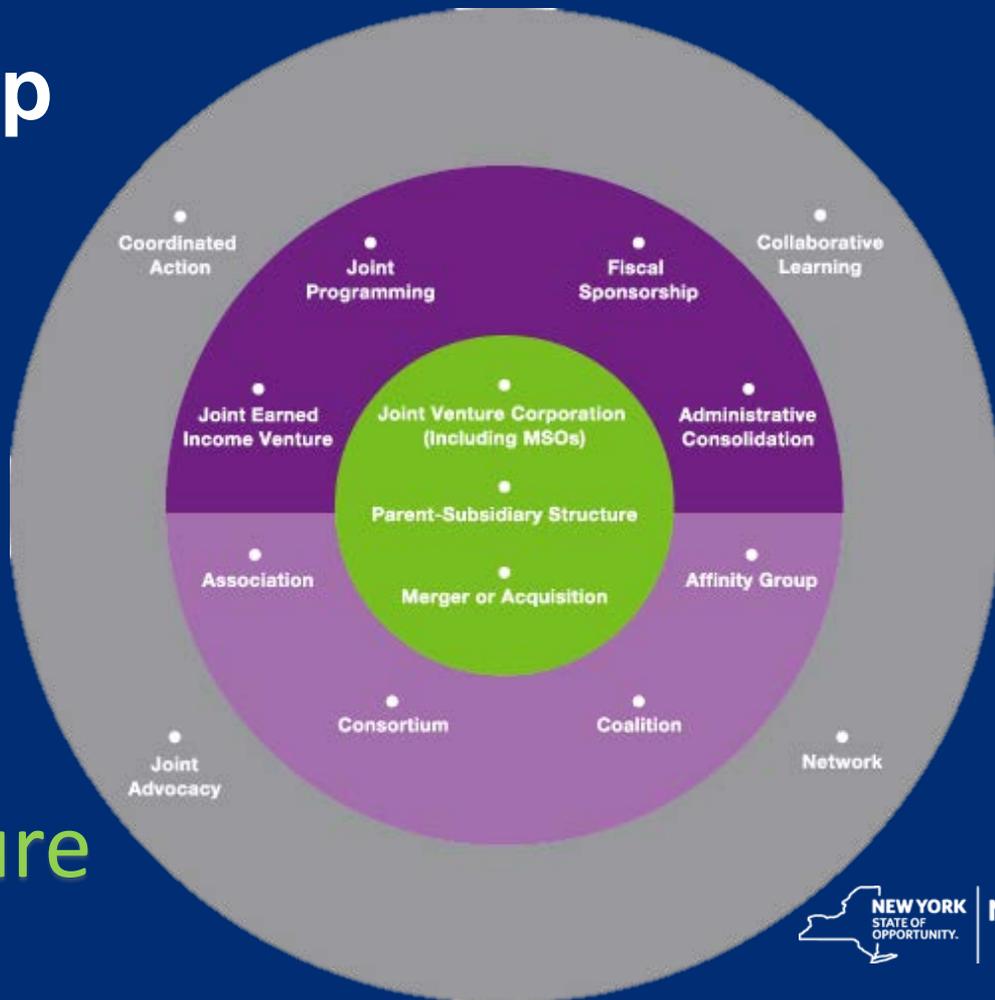

Homes and Families

Collaboration Map

Collaboration
Alliance
Strategic Restructure

Objectives: Specific and Achievable

From CEF

- 50% renewable energy by 2030
- 500,000 homes more energy efficient by 2020
- 150,000 new homes and businesses with solar by 2020
- Mobilize \$29 billion in private investment
- \$39 billion in customer bill savings over 10 years

To your initiatives

- 50% renewable energy in Park Vista
- 1000 housing units retrofitted
- 500 affordable housing units with solar in Utica
- \$2M in home energy performance loans from Pathstone
- Customer bills drop by 15% in S. Buffalo
