With HEAP comes EAP

The Energy Assistance Program (EAP) offers three components:

- Monthly Bill Credit
- Budget Billing
- Arrears Forgiveness

Monthly Bill Credit

Once a HEAP payment is applied to a NYSEG or RG&E account, the customer is automatically enrolled in EAP and will begin receiving a monthly bill credit.

Important note:

Customers who have HEAP with another fuel vendor are also eligible for the monthly bill credit. However, they must send us a copy of their HEAP award letter to be enrolled in EAP.

Monthly Bill Credit Benefit

Monthly bill credits for the 2016-2017 heating season have been approved by the Public Service Commission (PSC) and are based on which HEAP Tier the customer is in.
