Subject: Comments on RGGI Operating Plan
Date: Sunday, January 3, 2021 2:49:48 PM

Hello,

Concerning the RGGI Operating Plan: Please align the plan with the equity requirements of the Climate Leadership & Community Protection Act.

Marginalized & disadvantaged communities across NYS are suffering the most from the pandemic & from climate change. They should be prioritized as we mitigate & adapt to such crises, so they can enjoy clean air & water, & expanding job opportunities.

Thank you in advance for considering.

Andrew Hartley, PhD
