

NOTICE OF EXTENSION OF THE PUBLIC SCOPING PERIOD

On February 21, 2018, the New York State Energy Research and Development Authority (NYSERDA) and the U.S. Department of Energy (DOE) announced their intent to jointly prepare a *Supplemental Environmental Impact Statement for Decommissioning and/or Long-Term Stewardship at the West Valley Demonstration Project and Western New York Nuclear Service Center* (DOE/EIS-0226-S1) (SEIS) and to conduct a public scoping process. The SEIS will assess the range of reasonable alternatives for Phase 2 decommissioning of the West Valley Site. NYSERDA and DOE invited public comments on the scope and content of the SEIS for the West Valley Site during a public scoping period originally scheduled to end on April 23, 2018. **This notice serves to announce that NYSERDA and DOE have agreed to extend the public comment period deadline to Friday, May 25, 2018.**

Written comments on the scope of the SEIS, requests to be placed on the SEIS mailing list, and requests for information may be submitted by U.S. mail to the DOE Document Manager, Mr. Martin Krentz, West Valley Demonstration Project, U.S. Department of Energy, 10282 Rock Springs Road, AC-DOE, West Valley, New York 14171-9799, by e-mail to SEISWestValleySite@emcbc.doe.gov, or via the SEIS website at www.SEISWestValleySite.com. The Notice of Intent and Draft Scope is available on the SEIS website and on the NYSERDA website at www.nysERDA.ny.gov/-/media/files/ee/west-valley/Supplemental-Environmental-Impact-Statement-NOL.pdf.

Further information, including a form for submitting comments, is available on the project website at www.SEISWestValleySite.com.
