

DATA CENTER EFFICIENCY PROGRAM APPLICATION

SECTION 3. ENERGY NEEDS (CONTINUED)

Please provide a brief description of the project or study you are interested in implementing.

SECTION 4. WISH LIST

If you do not have a specific project in mind, but you do have certain needs, please check the appropriate area(s) that need attention:

- | | |
|---|--|
| <input type="checkbox"/> We need a comprehensive energy audit for the data center | <input type="checkbox"/> We think that there are inactive servers |
| <input type="checkbox"/> We need to benchmark our data center | <input type="checkbox"/> We need new servers |
| <input type="checkbox"/> We need to develop a carbon reduction plan or a master plan | <input type="checkbox"/> We need to implement virtualization |
| <input type="checkbox"/> We need a CFD analysis to find hot spots in data center | <input type="checkbox"/> We need to meter data-center energy consumption |
| <input type="checkbox"/> We need to add VFDs to our cooling systems | <input type="checkbox"/> We need more capacity (electricity) |
| <input type="checkbox"/> We want to implement in-rack cooling | <input type="checkbox"/> We need more capacity (computing/storage) |
| <input type="checkbox"/> We want to implement free cooling | <input type="checkbox"/> We know the data-center energy consumption but need to meter |
| <input type="checkbox"/> We want to reconfigure data center to use hot-aisle/cold aisle configuration | <input type="checkbox"/> We need a BMS or a system that allows monitoring and control of data center energy use of individual components (i.e. servers, CRAC units, etc.) energy use |
| <input type="checkbox"/> We need new energy-efficient lighting | <input type="checkbox"/> Our monitoring system is outdated, not working properly, or does not exist |
| <input type="checkbox"/> We have aging chillers/CRAC/CRAH units | |

SECTION 5. CONTRACTOR INFORMATION – If you have hired a contractor to perform the study or implement the project, please complete the section below

If you do not have a contractor, please check this box

Contractor name:		Contact person:											
Address 1:		E-mail:											
Address 2:		Phone:	Fax:										
City:	State:	Zip:	Federal ID #: <table border="1" style="display: inline-table; vertical-align: middle;"><tr><td> </td><td> </td><td> </td><td> </td><td> </td><td> </td><td> </td><td> </td><td> </td><td> </td></tr></table>										

To learn how you can participate in this exciting program, call the DCEP Hotline at 212-701-7222 or visit us at nyscrda.ny.gov/datacenters or conedci.com/DataCenters.aspx.

A POWERFUL PARTNERSHIP
