

Most New York homeowners can receive a home energy assessment for free or at a reduced-cost through the Home Performance/ Assisted Home Performance with ENERGY STAR® program. The assessments are available on a first come, first served basis.

Save time and apply online at nyserdera.ny.gov/apply-online

To qualify, you need to meet these requirements:

1. You must be the owner, or be authorized to sign for the owner, of a 1- to 4-unit residential building.*
2. Your total household income must meet the guidelines on page 2.
3. You must not have previously received a free or reduced-cost assessment on the building listed below.

DETERMINE YOUR HOUSEHOLD INCOME RANGE

If your household income is greater than \$43,840, use the chart below to find where it falls in relation to your county's median income. This will determine the cost, to you, of your home energy assessment (if any).

1. Find your county (this is where the home you wish to have assessed is located).
2. Use the corresponding columns to find the range that includes your household income.
3. Check the appropriate box on the front of the application.
4. Use your household income range from the chart below and the **chart to the right** to determine the cost, to you, of your assessment (if any).
