

Program Questions: Cleaner Greener Communities (CGC), Phase II Implementation Grants, Category 1: PV and EVSE Streamlined Permitting

Q_4398

Is the Applicant an authority having jurisdiction for permitting, land use planning, and zoning in one of the ten New York State regions, as defined by the Regional Economic Development Council boundaries, and is the applicant seeking between \$2,500 and \$10,000 in funding for adopting streamlined Photovoltaic and/or Electric Vehicle Supply Equipment permitting processes or ordinances?

- Question Type: Threshold
- Required: Yes
- Answer Type: Yes/No
- Help Text:

If you answer no to this question, you are not eligible to receive funding for Category 1 under the Cleaner, Greener Communities program. For more information, please visit: www.nyserda.ny.gov/cgc.

Any authorities having jurisdiction for permitting, land use planning, and zoning are eligible applicants.

Q_4399

Is the project(s) for which the Applicant is seeking funding complete?

- Question Type: Threshold
- Required: Yes
- Answer Type: Yes/No
- Help Text:

If you answer no to this question, you are not eligible to receive funding for Category 1 under the Cleaner, Greener Communities program. Please apply when the project has been completed. For more information, please visit: www.nyserda.ny.gov/cgc.

Q_2357

Please attach a document substantiating the permanent residential population obtained from the most recent data available from the U.S. Census Bureau.

- Question Type: Attachment
- Required: Yes
- Answer Type: Attachment

Q_4400

If applying for Electric Vehicle Supply Equipment (EVSE) streamlined permitting processes or ordinances, please attach a document demonstrating that at least one of the following requirements outlined in the CFA guidance document have been met: 1a. Minor Work Processes OR 1b. Permitting Template. This document shall include:

- Proof that the jurisdiction has adopted the streamlined permitting process for EVSE for use in the municipality (e.g. resolution or law passed by the municipality).
- A copy of the officially adopted permit.
- Documentation showing the municipality has updated its permitting processes to define EVSE installations as “minor work” and that the permitting process for EVSE installations now consists of a simplified application process and permitting fees consistent with similar “minor work.”

- Question Type: Attachment
- Required: No
- Answer Type: Attachment
- Help Text:

For more information, please see the CFA Guidance Document, which can be found at the following location: www.nyserda.ny.gov/cgc.

Q_4401

If applying for Electric Vehicle Supply Equipment (EVSE) streamlined permitting processes or ordinances, please attach a document demonstrating that at least one of the following requirements outlined in the CFA guidance document have been met: 2a. Zoning OR 2b. Parking. This document shall include:

- Proof that the jurisdiction has adopted the zoning or parking ordinance amendment for EVSE for use in the municipality (e.g. resolution or law passed by the municipality).
 - For zoning ordinance: Documentation in the form of zoning ordinance amendments that define “electric vehicle charging station” and what type of electric vehicle charging is permissible in each zoning category or define “electric vehicle charging” as an accessory use for appropriate zoning categories.
 - For parking ordinance: Documentation in the form of parking ordinance amendments that eliminate hourly parking fees at public lots for EVs or bar cars that are not charging from parking in designated EVSE-adjacent parking spaces.
- Question Type: Attachment
 - Required: No
 - Answer Type: Attachment
 - Help Text:

For more information, please see the CFA Guidance Document, which can be found at the following location: www.nyserda.ny.gov/cgc.

Q_4402

If applying for Photovoltaic (PV) streamlined permitting processes or ordinances, please attach a document containing all relevant documentation demonstrating that all of the following requirements outlined in the CFA guidance document have been met: Program Participation Requirements for Streamlined PV Permitting Application Process, which can be found here: www.nyserda.ny.gov/cgc. This document shall include:

- A copy of the completed NYS Unified Solar Permit form that will be used for standard installations.
 - Proof that the jurisdiction has adopted the NYS Unified Solar Permit for use in the municipality (e.g. resolution or law passed by the municipality).
- Question Type: Attachment
 - Required: No
 - Answer Type: Attachment
 - Help Text:

For more information, please see the CFA Guidance Document, which can be found at the following location: www.nyserda.ny.gov/cgc.

Q_4404

Please attach a completed and signed Disclosure of Prior Findings of Non-Responsibility form. To access this form, please visit the Cleaner Greener Communities Guidance Documents webpage, which can be accessed at <http://www.nyserda.ny.gov/cgc>.

- Question Type: Attachment
- Required: Yes
- Answer Type: Attachment
- Help Text:

For more detailed program requirements, and to access the Prior Findings of Non-Responsibility form, please reference the Cleaner Greener Communities Guidance Document webpage, which can be accessed at <http://www.nyserda.ny.gov/cgc>.

Q_2356

What is the permanent residential population represented by the applicant?

- Question Type: Standard Question
- Required: Yes
- Answer Type: Integer
- Help Text:

Please use the most recent data available from the U.S. Census Bureau.
