Contractor Initials:

Warranty

Contractor warrants that the work and the equipment furnished through this project comply with the requirements as outlined in the Contractor Participation Agreement with NYSEDA. In the event that any defect in workmanship or equipment is discovered within one (1) year after payment authorization, the Contractor will remedy, repair, correct, or cause to be remedied, repaired, corrected, or replaced at Contractor's expense such defect in equipment or workmanship. The foregoing warranty survives any inspection NYSEDA may elect to make.

Lien Waiver

Work and equipment covered by a GJGNY Loan or AHP/EmPower incentives: Contractor hereby waives and releases any and all lien or claim of, or right, to lien, under laws relating to mechanics liens with respect to and on the property referenced above.

Work and equipment not covered by a GJGNY Loan or AHP/EmPower incentives: Said waiver does not apply to any work and equipment furnished in this installation that is not funded by a GJGNY Loan or AHP/EmPower incentives. Any costs incurred by customer exceeding the sum of the GJGNY Loan and the AHP/EmPower incentives, or financed by any means other than a loan through a GJGNY loan or through AHP/EmPower incentives, are subject to a mechanics lien or claim under applicable laws relating to mechanics liens with respect to the project ID (s) referenced on page 1.

Customer Affirmation

Customer's Acceptance of Work Scope

The energy efficiency upgrades installed at the property as well as any applicable incentives, loan, and/or subsidy stated on pages 1 and 2 herein have been explained thoroughly by the Contractor, are satisfactory, are accepted by the customer, and the contractor is authorized to install the energy efficiency upgrades.

Program Quality Assurance and Evaluation

I agree to participate in program quality assurance and evaluation activities. The purposes of these activities are to provide the program administrators with an opportunity to ensure that the eligible measures are installed consistent with program standards, to assess energy savings and to evaluate program effectiveness. Program quality assurance and evaluation activities may include on-site visits, questionnaires, and interviews. As a value-added service, AHP and EmPower program participants are offered the option of having a post-completion inspection performed on their home. If you are interested in receiving this valuable, FREE service, please call 1-866-NYSEDA to schedule an appointment. Availability depends upon number of requests received.

Customer Statement

The undersigned hereby certifies personal ownership of the home specified above, that all materials and equipment included in the construction contract (work order, job order, bid summary, proposal, invoice, etc.) have been furnished and installed by the Contractor, and that the work has been completed pursuant to program rules and requirements. In addition, I have not obtained the benefit of and will not receive any cash payment, rebate, cash bonus, sales commission, or anything from the contractor as inducement to enter into an agreement with the contractor or to proceed with work. If there is a GJGNY loan, I also agree to the terms specified in the loan agreement and authorize payment to the above Contractor.

Yes, I have received a copy of the Comprehensive Home Energy Assessment report.
