DECLARATION

NOW, THEREFORE, acknowledging that Registry Administrator will rely on the truth, accuracy and completeness of the declarations made below, Principal and Agent declare:

1. Exclusivity of Agent’s Authority.

Pursuant to a binding, legally enforceable agreement entered into by and between Principal and Agent, Agent is authorized to act for Principal with respect to all activities with Registry Administrator regarding Principal’s data contained in the NYGATS System, including but not limited to creation of Certificates, transferring of Certificates, reviewing reports, or making trades of Certificates (the “Authorized Rights and Responsibilities”). With respect to the Authorized Rights and Responsibilities, Agent is authorized to communicate and transact with Registry Administrator as Principal’s sole and exclusive agent, and Registry Administrator is authorized to communicate and transact directly and exclusively with Agent as Principal’s agent. With respect to
Authorized Rights and Responsibilities, Principal will abide by any direction issued by Registry Administrator to Agent.

2. **Specification of Authorized Rights and Responsibilities.**

Agent shall have all of the rights and responsibilities described in the Registry Agreements. Agent agrees to be bound by the Registry Agreements, including but not limited to the limitations of liability and indemnification provisions contained therein.

3. **Continuing Responsibilities and Liabilities of Principal.**

3.1 The Authorized Rights and Responsibilities are the only rights, responsibilities and liabilities under the Registry Agreements for which Agent is authorized to act for Principal, and Principal retains all rights and responsibilities under the Registry Agreements or otherwise that are not specified by Principal and Agent in Section 2.

3.2 For a Principal that has entered into a Registry Agreement, with respect to the Authorized Rights and Responsibilities, and notwithstanding any other provision of this Declaration, Principal is not released from and shall remain liable to Registry Administrator for compliance with all of the terms and conditions of the Registry Agreements, including without limitation indemnification of Registry Administrator, defaults of the Registry Agreements committed by Agent, and payment of all amounts due or to become due to Registry Administrator under the Registry Agreements. Agent’s authorization to make payment of any such amounts hereunder shall not release Principal from liability for any obligations to Registry Administrator not satisfied by Agent, financial or otherwise.

4. **Reliance and Indemnity, Duty to Inform, Liability Waiver, and Rules of Construction.**

4.1 Principal and Agent each recognizes, accepts and intends that Registry Administrator will rely, upon the truth, accuracy and completeness of the declarations herein in matters including but not limited to assuring compliance with the Registry Agreements. Principal and Agent each recognizes and accepts that Registry Administrator may suffer losses and damages if any declaration is or becomes untrue, inaccurate or incomplete, and each agrees to indemnify Registry Administrator for any such losses and damages.

4.2 Principal and Agent each has a continuing duty to notify Registry Administrator if and when any declaration herein ceases to be truthful, accurate or complete. Until such time as Registry Administrator receives written notification of any change to any declaration, signed by both Principal and Agent, or by either of them together with a certification that the other has been notified, Registry Administrator
shall be entitled to rely perpetually on this Declaration as governing its relationship with Principal and Agent as to the subject matter of this Declaration. Any written notice of changes to the declarations herein must be provided to Registry Administrator at least thirty days in advance of their effectiveness.

4.3 Nothing in this Declaration shall be construed to create or give rise to any liability on the part of Registry Administrator and Principal and Agent expressly waive any claims that may arise against Registry Administrator under this Declaration. This Declaration shall not be construed to modify any of the Registry Agreements and in the event of conflict between this Declaration and a Registry Agreement, the applicable Registry Agreement shall control.

In the context of Agent’s access to NYGATS on Principal’s behalf, Agent may also have access to certain Confidential Information contained therein. Use of the Confidential Information by Agent is solely for the purpose of creating and trading Certificates, providing data to Registry Administrator, reviewing reports created for Principal in NYGATS and the payment of fees due to Registry Administrator under the Terms of Use. Agent shall not access any Confidential Information contained in NYGATS for any other purpose, including but not limited to the use, sale or other disposition of said information to any third parties for any reason.
