

Flexible Technical Assistance Eligibility

NYSERDA

Eligible Participants

New York State Commercial, Industrial, and Multifamily customers that pay into the electric System Benefits Charge (SBC) through their utility company are eligible.

Eligible Projects

Projects that display a potential for energy savings, carbon savings, or process improvements, as well as opportunities to consider energy efficiency given known energy use increases, will be considered for eligibility.

A third-party technical assistance service provider is required for all projects.

- Customers in need of a service provider may choose from NYSERDA’s FlexTech Consultant list, which is available at nyserderda.ny.gov/FlexTech.
- Customers have the option to select their own Independent Service Provider to perform the study.
