Dear Bill,

In reply to your Memo dated January 31, 1991 concerning option to enact exemption for Wind and Solar installations in the Town of Greenwich, please be advised, that the Town Board at the Meeting February 5, 1991 did Unanimously approve exemption for Solar & Wind installations per Real Property Tax Law 487, Subdivision 5.

The Board feels they should encourage alternative energy uses.

Sole Assessor

Very truly yours,

L. Earl Safford,
Town Clerk
