Dear Mr. McCarty;

As per your request, please be advised that the Town Board of the Town of White Creek did agree to grant the solar and wind exemption as per Real Property Tax Law Section 487, subdivision 5.

I should also inform you that the State Board of Equalization and Assessment has sent us the Stipulation adjourning the proceeding against the Town. They are requiring that the Board, by Board Resolution, agree that the Town is in violation, and that the Town Board will cause the collection and recording of assessment inventory data to be in compliance with statute and rule by December 31, 1991.

I thought you should know.

Respectfully,

Darryl L. Decker, Supervisor
