*Committed to projects under development or construction and expended on completed projects.
Energy Savings are the expected annual savings from the projects upon completion.*

New York State Energy Research and Development Authority (NYSERDA), a public benefit corporation, offers objective information and analysis, innovative programs, technical expertise, and support to help New Yorkers increase energy efficiency, save money, use renewable energy, and reduce reliance on fossil fuels. NYSEDA professionals work to protect the environment and create clean energy jobs. NYSEDA has been developing partnerships to advance innovative energy solutions in New York State since 1975. To learn more about NYSEDA's programs, visit nyseda.ny.gov or follow us on Twitter, Facebook, YouTube, or Instagram.

State of New York Andrew M. Cuomo, Governor
New York State Energy Research and Development Authority
 Richard L. Kauffman, Chair | John B. Rhodes, President and CEO
