

Executive Order 31, issued by Governor Kathy Hochul on July 27, 2023, commits New York State to being a model employer for people with disabilities. As part of that mandate, every executive-controlled state agency is required to issue and maintain a strategic plan that outlines its strategy to increase the number of people with disabilities it hires and retains.

Agency Strategic Plan Development

Per Executive Order (EO) 31, every executive state agency within the State of New York shall, in collaboration with the Office of the Chief Disability Officer (CDO), develop an annual plan at the agency. The plan shall detail the steps the agency will take to improve the hiring of people with disabilities and disability inclusiveness and increase the percentage of people with disabilities hired at each agency. These plans shall be submitted to the CDO six months from the effective date of this order and updated annually thereafter (12 months from the date on the cover page of this plan).

The point person from each agency will work both with their agency's leadership team and the CDO in this effort. If an agency point person must change, it is incumbent on the exiting point person to inform the CDO of this change as soon as possible, along with the name, title and email address of the new contact person.

Objective 1:
