The Partnership

Traditional Energy Economy

- **Environmental Health Burdens**
 - **Excess deaths**
 - **Racial distributions**

- **Economic Burdens**
 - **Energy burdens**
 - **Employment**
 - **Revenue access**

REV and Environmental Justice

Transition vs. Just Transition

- **Identify Challenges**
 - **Credit, Capital, Property, Employment**
- **Facilitate Opportunities**
 - **Increase renewable energy and resiliency**
 - **Customize community-oriented business models**
 - **Strengthen capacity for project implementation**
