Subject: RGGI Funding for Empower+

You don't often get email from [PERSONAL EMAIL REDACTED] [Learn why this is important](#)

ATTENTION: This email came from an external source. Do not open attachments or click on links from unknown senders or unexpected emails.

I write to support the funding for Empower+ that is in the proposed RGGI budget.

This is an important step forward for affordability for LMI New Yorkers.

The funding for Thermal Energy Networks is also important and positive!

Thank you for this insignificant work.
