RE: Comments on the Draft 2026 RGGI Operating Plan Amendment in Support of Increased Funding Levels for the EmPower+ Program

Dear NYSERDA,

I support increasing RGGI funds for Empower +

-
-
- EmPower+ helps low-and-moderate income (LMI) households, save energy
- and money toward
-
-
-
- energy improvements made to their primary residence.
- The program focuses on one-to-four family households.
-
-
-
- Through EmPower+, eligible New Yorkers can receive:
-
-
-
- No-cost comprehensive home energy assessments to pinpoint where energy and dollars
-
- are being wasted and receive a customized plan to lower energy usage.
-

I paid for these improvements to my home, and there are many others who would benefit, but can't afford to do it on their own.

Marian
