

**NYSEERDA 2021 DEER HUNTING PROGRAM at the WESTERN NEW YORK NUCLEAR SERVICE CENTER**

**RELEASE FORM FOR SCOUTING/TREE STAND REMOVAL**

In consideration for permission to enter onto the lands of the Western New York Nuclear Service Center (Center) for the 2021 Deer Hunting Program, I, \_\_\_\_\_, hereby attest that I am physically capable to participate in NYSEERDA’s 2021 Scouting, and tree stand removal, if applicable, considering the terrain, steep slopes, heavy vegetation, potentially slippery surfaces and other hazards typically found in woodland areas. I thereby release the state of New York and NYSEERDA, its successors, assigns, officers and employees, from any and all claims, including injuries to person or property, that may occur as a result of or in the course of that activity. Unlicensed minors age 12 and over may accompany a parent or guardian as an observer. **No minors under age 12 are allowed in the field.**

Prior to receiving permission to enter onto Center lands, I have been duly warned that there are potential and inherent risks from physical conditions involved, including, but not limited to, falling trees, holes, deteriorated structures, barbed wire or other fencing, and natural and manmade debris. To obtain permission to enter onto those lands, I acknowledge that I am aware of and assume the risks associated with the property of the Center surrounding the premises of the West Valley Demonstration Project.

I have also read the safety rules and will comply with these rules as a participant in the Center’s Deer Hunting Program.

**I have read, understand and agree to the aforementioned. (Sign in ink.)**
