

**Emerging Technologies and Accelerated Commercialization Program
Commercial and Industrial (ETAC-CI)
Demonstration Host Site Participation Agreement**

DEMONSTRATION HOST SITE INFORMATION

Name	Title		
Company	Phone	Fax	
	Email		
Building Type (commercial office, big box, warehouse, etc.)		Square Footage	
Address	City	State	Zip
Electric utility company	Electric utility account number ¹		
Gas utility company (if project involves gas savings)	Gas utility account number ¹ (if project involves gas savings)		

A signed copy of this Agreement must be submitted with the Application Form for each participating Demonstration Host Site. The entity applying for NYSEERDA's ETAC-CI program is identified below as "Applicant," and the demonstration site owner (or entity with the legal right to make modifications to the building) is identified below as the "Demonstration Host Site."

The undersigned representative of the Demonstration Host Site agrees to participate in a demonstration project with _____ (Applicant). The Demonstration Host Site understands and agrees to the following:

- **Incentives:** Applicant may be eligible for ETAC-CI Program incentives from NYSEERDA. Where applicable, incentives are only available for the installation of new equipment that has not been installed (partially or completely) prior to NYSEERDA's approval of the Application. Where applicable, incentives will not be provided directly to Demonstration Host Site but are paid to the Applicant.
- **Access to Site:** For quality control/monitoring and verification (M&V) purposes, Demonstration Host Site must provide NYSEERDA or its representatives with reasonable access to the site for the purposes of pre- and post-installation data collection, M&V, and installation inspection. Demonstration Host Site will make building energy usage data available to NYSEERDA and/or its representatives.
- **Systems Benefits Charge:** The Demonstration Host Site ☐ does/ ☐ does not contribute to the System Benefits Charge (sometimes referred to as "SBC" as a line item on utility electric bills). A copy of the Demonstration Host Site's most recent utility bill is attached to this agreement.

¹ The New York State Freedom of Information Law, Public Officers law, Article 6, provides for public access to information NYSEERDA possesses. Information submitted to NYSEERDA that the provider wishes to have treated as proprietary and confidential trade secret information, should be identified and labeled "Confidential" or "Proprietary" on each page at the time of disclosure. However, NYSEERDA cannot guarantee the confidentiality of any information submitted. NYSEERDA's regulations regarding the Freedom of Information Law are set forth in 21 NYCRR Part 501 <http://nyserda.ny.gov/~media/Files/About/Contact/NYSEERDARegulations.ashx>.

- **Publicity and Site Events:** In the course of the ETAC-CI Program-funded project, Demonstration Host Sites and Applicants are required to participate in outreach activities to a New York State audience, which may include press events and releases, site tours, and presentations at webinars or conferences). Demonstration Host Site and Applicant are required to collaborate with NYSERDA's Director of Communications should they prepare any press release or plan any news conference related to the Demonstration. NYSERDA is authorized to use photographs of the Demonstration Host Site in brochures, on its website, and in other print materials.
- **Communication with Demonstration Host Site:** The Applicant and the Demonstration Host Site agree that NYSERDA may, at NYSERDA's discretion, communicate by voice and/or written format with the Demonstration Host Site with respect to any matter relevant to a proposed or installed project. Such communications may be in reply to an inquiry from a Demonstration Host Site or at NYSERDA's initiation.

Disclaimer: The Demonstration Host Site understands that neither NYSERDA nor the State of New York: (1) endorses any Applicant; or (2) guarantees, warranties, or in any way represents or assumes liability for any work proposed or carried out by an Applicant or its contractors. Additionally, NYSERDA is not responsible for assuring that the design, engineering and construction of the project or installation of any equipment is proper or complies with any particular laws, regulations, codes, licensing, certification and permit requirements, or industry standards. NYSERDA does not make any representations of any kind regarding the results to be achieved by equipment or the adequacy or safety of such measures. By acceptance of the project for participation in the ETAC-CI Program, NYSERDA does not become a party to any contract between the Applicant and the Demonstration Host Site.

Statement of Acknowledgement: By signing, all parties acknowledge that they have read and understand the above information and requirements and agree to abide by them.
