

Cable management via retractor, SAE J1772, 208-240VAC, 30A, 7.2 KW, Wireless or cellular network connections

**Basic Equipment Details**

Type of Mount	Pedestal or wall-mounted
Number of Ports	Single
Intended Installation Setting	<ul style="list-style-type: none"> <li>• Public</li> <li>• Workplace</li> <li>• Multi-Unit Dwelling</li> </ul>
Networking Capability	Optional
Indicate whether the equipment uses an open standard protocol as a basic framework for purposes of network interoperability and for communication with the network services provider, and specify the protocol (such as OCPP)	OCPP
Network providers used to date	<ul style="list-style-type: none"> <li>• Livingston EV Network</li> <li>• Greenlots</li> </ul>
Input Power (kW AC)	7.2 kW
Rated Output Power (kW AC)	7.2 kW
Can the equipment split power between multiple ports?	N/A
Dimensions (HxWxD, in inches)	20.75" x 9.47" x 6.08"
Charging cable length (in feet)	18
Operating temperature range	(-22 to 122)
Is the equipment ENERGY STAR® certified?	No
If no, do you have a Partnership Agreement with ENERGY STAR®?	Yes
Does the equipment have a display screen?	No
Method(s) of Payment Accepted	<ul style="list-style-type: none"> <li>• Credit Card</li> <li>• Network RFID Tag</li> <li>• Mobile Phone App</li> </ul>
How do customers purchase the equipment?	<ul style="list-style-type: none"> <li>• From the Manufacturer</li> <li>• From the Network Providers</li> </ul>
Warranty Duration (months)	36 months

---

## Special Features Included in the Equipment

- Cable management via retractor

---

## Optional Accessories

- Cable management retractors
- QR code access
- LED area security light
- Canopy
- Smart metering load balancing

## Optional Services

- Turnkey planning and installation
- Remote and on-site tech support
- Operation and network services
- Extended warranty and maintenance
- Data collection and integration
- Financing available

---
