

ATTACHMENT C – AUTHORIZATION FOR INFORMATION SHARING WITH NYSERDA PARTNERS

FlexTech Affordable Multifamily Buildings

The Customer and Consultant/Service Provider agree that Customer’s information, including name, electric and/or fuel consumption data, as well as any project information including but not limited to the FlexTech report, savings calculations and electric and/or fuel energy savings may be provided to the New York State Utilities, the Utilities implementation contractors and the Utilities’ third-party evaluation contractor(s) for purposes of Affordable Multifamily Energy Efficiency Program (AMEEP) program management, AMEEP incentive payment, and AMEEP program evaluation purposes, subject to the Utilities entering into an agreement with the evaluation contractor(s) to maintain such Customer information confidential, and without regard to whether or not a Customer receives electric and gas service from more than one utility. Customer information may also be provided to the New York State Public Service Commission (“PSC”) or New York State Department of Public Service Staff (“DPS Staff”). Any Customer information provided to the PSC or DPS Staff will be aggregated with information about other customers and not personally identifiable.
