

CASE 18-M-0084- In the Matter of a Comprehensive Energy Efficiency Initiative
NOTICE ANNOUNCING STATEWIDE LMI STAKEHOLDER WEBINAR

PLEASE TAKE NOTICE that NYSERDA and the New York Utilities¹ will host a stakeholder session to discuss the development of the Statewide Low-to Moderate-Income (LMI) Portfolio, including an update on progress to date. The webinar will be held on **December 21, 2020, 11 am- 12:30 pm.**

Background:

In the January 16, 2020 *Order Authorizing Utility Energy Efficiency and Building Electrification Portfolios through 2025* (“Order”), the New York State Public Service Commission directed the New York Utilities and NYSERDA to develop and implement a Statewide LMI Portfolio to provide more complementary program offerings to increase the adoption of energy efficiency solutions for residential customers and in affordable multifamily buildings, improve customer experience and access to programs, increase the impact of ratepayer funding administered in the LMI market segment. Following the Order, the New York Utilities and NYSERDA developed and filed an *LMI Implementation Plan* on July 24, 2020, outlining the goals and components of the Statewide LMI Portfolio.

On September 14, 2020, DPS staff approved the *LMI Implementation Plan* contingent on the New York Utilities and NYSERDA addressing coordination issues and filing supplemental plans on the Joint Management Committee; Verified Gross Savings Specifications; and a plan outlining considerations for coordinating on data sharing, evaluation of programs, implementation contractor procurement, marketing, and a single application process.

At the stakeholder webinar, the New York Utilities and NYSERDA will provide an update on progress made to date and seek input from stakeholders and market partners.

Registration: Participants can register for the webinar using the following link:
