

NY Energy Advisor

On a Fixed Income and Struggling to Pay Your Energy Bills?

NY Energy Advisor can help make monthly energy costs more affordable and your home more comfortable.

What is NY Energy Advisor?

NY Energy Advisor is a simple online tool that offers one-stop shopping for income-eligible New Yorkers, or New Yorkers on a fixed budget, who are looking to save energy and money. It's easy to navigate—all you need to do is answer a few simple questions, and we'll connect you with a custom list of energy-saving offers in New York State you may be eligible for. NY Energy Advisor, in partnership with New York State Research & Development Authority (NYSERDA) and local utilities, offers easy-to-understand options, reduced energy costs, and increased comfort.

What is the purpose of NY Energy Advisor?

You deserve a comfortable home without the stress of navigating rising monthly energy costs. NYSERDA and New York State utilities have partnered on this initiative to help eligible New Yorkers find low- to no-cost energy-saving offerings and upgrades, now all in one place.

How does it work, and how will it help me?

Sifting through multiple websites to try and find cost-savings can be time-consuming, confusing, and overwhelming. NY Energy Advisor takes the hassle away by keeping everything you need in one easy-to-navigate website.

By answering simple questions about your home or property, utility provider, income, and location, NY Energy Advisor creates a custom list of savings opportunities that best fits your current stage of life and income level. You may be eligible for one or more of the following:

- Budget billing that spreads bill payments evenly over 12 months.
- Local solar that allows you to save up to \$180 annually on your electric bills by signing up with a qualified local solar farm.
- Flexibility with payment agreements and extensions.
- Discounts on energy bills through available assistance programs.
- No-cost home energy assessments that may result in no-cost upgrades to your home, including light bulbs, thermostats, air sealing and insulation, and more.

Manage your monthly energy bills and stay comfortable at energyadvisor.ny.gov.
