

Dear Contractors and Installers,

Effective Monday, January 4, 2016, the Affordable Solar Residential Project Screening Tool will have updated Utility Index Rates. For additional information on Affordable Solar, please visit: <http://ny-sun.ny.gov/Get-Solar/Affordable-Solar>

As a reminder, all projects submitting applications including the Affordable Solar Residential added incentive must submit the updated Screening Tool with the Powerclerk application. The updated Affordable Solar Project Screening Tool can be found with other program documents at <http://ny-sun.ny.gov/For-Installers/Forms-Manuals-Tools>. For complete submission requirements please see Section 2.4 of the Program Manual of the Residential/Small Commercial Program.

Thank you

NY-Sun Team

About NY-Sun

NY-Sun, a dynamic public-private partnership, will drive growth in the solar industry and make solar technology more affordable for all New Yorkers. NY-Sun brings together and expands existing programs administered by the New York State Energy Research and Development Authority (NYSERDA), Long Island Power Authority (LIPA), PSEG Long Island, and the New York Power Authority (NYPA), to ensure a coordinated, well-

supported solar energy expansion plan and a transition to a sustainable, self-sufficient solar industry. To learn more about NY-Sun, visit ny-sun.ny.gov
