

Dear Partners and Other Stakeholders,

After further consultation with stakeholders over the past month, we have decided to put on hold the previously announced interest rate changes for Green Jobs-Green New York loans. Until further notice, financing terms, including interest rates, will continue as they are today.

David A. Sandbank, Director of NY-Sun

About NY-Sun

NY-Sun, a dynamic public-private partnership, will drive growth in the solar industry and make solar technology more affordable for all New Yorkers. NY-Sun brings together and expands existing programs administered by the New York State Energy Research and Development Authority (NYSERDA), Long Island Power Authority (LIPA), PSEG Long Island, and the New York Power Authority (NYPA), to ensure a coordinated, well-supported solar energy expansion plan and a transition to a sustainable, self-sufficient solar industry.
