

Dear Installers and Contractors:

NY-Sun would like to highlight two upcoming events regarding Community Distributed Generation (Shared Renewables). Event details are below. For more information regarding Community Distributed Generation, please see the [Community DG Overview for Project Developers](#).

### Shared Solar Events

#### Community Solar Forum

Friday, March 18th at 9:00 am, Syracuse, NY

Central New York Regional Planning and Development Board, in partnership with NYSERDA and the Energy Democracy Alliance, will host the Central New York Community Solar Forum on March 18 at the Genesee Grande Hotel in Syracuse. Bringing together local government representatives, community stakeholders and the solar industry, this all-day workshop will feature presentations from national experts and facilitated roundtable discussions.

#### Community Energy Summit

Thursday, March 31st at 9:00 am, Tupper Lake, NY

Come learn from and network with installers, investors, land owners, policy experts, and utilities. Time has been scheduled to support connections that will lead to the development of potential projects.

## About NY-Sun

NY-Sun, a dynamic public-private partnership, will drive growth in the solar industry and make solar technology more affordable for all New Yorkers. NY-Sun brings together and expands existing programs administered by the New York State Energy Research and Development Authority (NYSERDA), Long Island Power Authority (LIPA), PSEG Long Island, and the New York Power Authority (NYPA), to ensure a coordinated, well-supported solar energy expansion plan and a transition to a sustainable, self-sufficient solar industry.
