Dear Installers and Contractors,

The Proforma Tool for Residential Green Jobs-Green NY Financing has been revised to reflect recent utility rates.

The revised Proforma Tool, which has a purple color scheme, will be posted to the NY-Sun website shortly at <http://ny-sun.ny.gov/For-Installers/Forms-Manuals-Tools>. Please use the updated tool for all project applications moving forward. Effective April 11, 2016, NYSERDA will no longer accept new project applications using the old Proforma Tool, which has a red color scheme.

**Thank You,
NY-Sun Team**

About NY-Sun

NY-Sun, a dynamic public-private partnership, will drive growth in the solar industry and make solar technology more affordable for all New Yorkers. NY-Sun brings together and expands existing programs administered by the New York State Energy Research and Development Authority (NYSERDA), Long Island Power Authority (LIPA), PSEG Long Island, and the New York Power Authority (NYPA), to ensure a coordinated, well-supported solar energy expansion plan and a transition to a sustainable, self-sufficient solar industry.
