Contractor/Customer: Entities listed in SF  
Identified or Intended Payee: NYSERDA Inc. <sup>1</sup>

NYSERDA is pleased to inform you that we have approved project application 12345, contract 6789 for incentives under the NY-Sun Program.

Your award in the amount of \$2,767,765 is contingent upon the installation and grid interconnection of a 7,007.00 kW solar electric system for: NYSERDA. at 123 Main Street Albany, NY 13209 as outlined in the project application.

Your award is inclusive of the Community Adder in the amount of \$490,490.00. The Community Adder is only awarded to Community Distributed Generation projects that are ineligible for the Market Transition Credit or Community Credit. In the event NYSERDA confirms that your project qualified for the Community Credit at the time of this award or anytime thereafter, NYSERDA shall rescind \$490,490.00 in the Community Adder funding and revert your project to the base incentive in the amount of \$2,277,275.00. While NYSERDA shall notify the contractor, customer, and payee prior to removing the Community Adder funding, the contractor remains responsible for ensuring the customer and payee have received NYSERDA email notification. NYSERDA’s portal shall be updated to reflect the base incentive award.

Your solar electric system must be completed within 30 months of the Program approval date. NYSERDA will require a satisfactory field inspection of the completed project. Contractor and or builders are required to take construction photos for each project.

Refer to the Program Manual for all Program rules and requirements.

Thank you for your participation in the NY-Sun Initiative, and for your commitment to the promotion of renewable energy in New York State.
