

P-12 Schools Clean Green Schools Initiative: Application Submittal Guidance

Overview:

This document is designed to provide additional, detailed guidance when applying to [PON 4924](#) Track II. General instructions can be found [here](#). All applications must be submitted through the [NYSERDA Application Portal](#) by the due date listed in the PON.

Step 1 – Proposer Contact Information

This section houses the contact information for all pertinent project members. At a minimum, there should be a contact designated as the “Primary Contact” and a contact designated as the “Contract Signer”. These can be the same individual. If the “Contract Signatory” is a contact outside the school district, also include an “Alternate Party” contact to be designated as the point of contact for the school district.

The screenshot shows a web application interface. At the top, there is a navigation bar with links: Home, Submit a New Application, Projects, Project Invoices, Manage Users, Project Inspections, Dashboards, and Generate Campaign. Below the navigation bar, the application number '0000478563' is displayed. The main heading is 'Clean Green Schools Initiative', followed by a progress indicator with seven circles, the first of which is filled. Below this, the section is titled 'Proposer Contact Information (Step 1 of 7)'. A light blue box contains instructions: 'Add a contact for each person involved in the proposed project and identify their role. At a minimum, you must have a Primary Contact and an Authorized Signatory identified. Click "ADD A CONTACT" to enter each person's information.' To the right of this box is a blue button with a plus sign and the text 'ADD A CONTACT'. Below the instructions is a table with the following columns: Action, Name, Email, Phone, Organization Name, and Primary. The table is currently empty. At the bottom of the page, there are two buttons: 'PREVIOUS' on the left and 'CONTINUE' on the right.
