Chair

JOHN B. RHODES
President and CEO

June 1, 2016

Hon. Andrew M. Cuomo
Governor
Executive Chamber
NYS Capitol
Albany, NY 12224

Dear Governor Cuomo,

Pursuant to the Public Authority Law Section 1867(7), as amended in 2015, attached is NYSERDA’s semi-annual report regarding specified contracting actions for the period from October 1, 2015 through March 31, 2016.

The report is broken into sections to meet the statute’s reporting requirements, summaries of which are provided below.

- **Requirement 1** is for the revenues collected by the Authority in the reporting period. A report that details the revenues collected during the period is attached.
- **Requirement 2** is a list of requests for proposals, program opportunity notices, or similar solicitations that have been issued in the reporting period. A report that details the solicitations issued is attached.
- **Requirement 3** is a description of the criteria and standards utilized for awarding a requests for proposals, program opportunity notices, or similar solicitations. The criteria for award selection or project eligibility is included in each solicitation. Please note that requirements 2 and 3 are contained in one section of the report.
- **Requirement 4** is a report on all projects selected for funding by the authority during the reporting period broken down by region, including the county and utility service territory in which the project is located and the total value of these projects statewide and by region. Both a summary by regional economic development council (REDC) and details for each REDC are provided. The region “Statewide” includes projects that do not have a distinct project location and provide benefits across New York State.
- **Requirement 5** is all disbursements or expenditures of revenues pursuant to a requests for proposals, program opportunity notices, or similar solicitations. A report that details these disbursements is included.
- **Requirement 6** is a list of all contracts executed and completed during the reporting period including a description of each project. A report that details the executed contracts is attached.

This semi-annual report for the reporting period is currently available on NYSERDA’s website at [include URL/link].

If you have any questions on this information, please contact me.

Sincerely,

John B. Rhodes
President and CEO
