

# NYSERDA Record of Revision

---

Document Title
Patterns and Trends: New York State Energy Profile, 2009–2023

Revision Date	Description of Changes	Revision on Page(s)
12/8/2025	Original Issue	Original Issue
2/6/2026	Missing reference was identified and added	20-23 and 26:
2/6/2026	Appendix B: Table presentation for consumption of petroleum products (physical units only) were corrected.	B-3
2/6/2026	Appendix B: Table presentation and formatting for consumption of transportation and electricity generation distillate fuel oil (physical units only) were corrected.	B-18
2/6/2026	Appendix B: Note added to clarify motor gasoline and ethanol consumption data presented in the table.	B-30
2/6/2026	Appendix D: Header names in the "Consumption-PhysicalUnits" tab were offset for the Electricity Generation data. Column header names were corrected. No changes to numeric data	D-1 Tab 2 Consumption-PhysicalUnits
