## **SUNY Concierge is a free NYSERDA initiative designed to assist SUNY campuses with their energy projects.**

### **The SUNY Concierge team can:**

- Help your institution prioritize energy objectives
- Determine which NYSERDA offering is best suited to meet your needs and energy goals
- Apply and navigate an applicable NYSERDA program

### **NYSERDA has a wide variety of programs available to facilitate clean energy projects.**

- On-Site Energy Manager
- Commercial New Construction
- Flexible Technical Assistance
- Real Time Energy Management
- Combined Heat and Power
- NY-Sun
