With HEAP comes EAP

Energy Assistance Program offers three benefits:

- **Basic Benefit**
- **Arrears Forgiveness**
- **Reconnection Fee Waiver**

Basic Benefit-Monthly Bill Credit

- Once a HEAP payment is applied to the NYSEG/RGE account (or proof provided it has been sent to another fuel vendor), the customer is automatically enrolled in EAP and will begin receiving a monthly bill credit.
- Bill credit amounts will vary depending on if the customer uses NYSEG/RGE electricity or natural gas as a heating source.

Basic Benefit-Monthly Bill Credit

- As an EAP participant, the customer may be referred to the New York State Energy Research and Development Authority (NYSERDA) for free energy saving measures.

EAP Bill Credit amounts:

Customer Type	NYSEG	RGE*
Electric Non-Heat	\$9.57	\$5.00
Electric Heat	\$18.57	\$24.00
Gas Non-Heat	\$6.60	\$2.00
Gas Heat	\$13.00	\$5.60
Combined Electric Heat/Gas Non-Heat	\$25.17	\$26.00
Combined Gas Heat/Electric Non-Heat	\$22.57	\$10.60

*RGE RECAP Customers were grandfathered in at \$10.00 for gas heat

Remember:

- **To continue receiving bill credits, customers must receive HEAP each year.**
- **If HEAP is supplied to another fuel vendor customers must provide us with proof each year by fax, email or U.S. mail.**
- **That's it...there are NO other program requirements!**

Arrears Forgiveness

To qualify for Arrears Forgiveness, a customer must:

- **Be enrolled in the EAP Basic Benefit.**
- **Have made three payments on their account in the last 12 months.**
- **Have arrears no less than \$240 but no greater than \$1,500.**

Important note:

- **Enrollment in Budget Billing is required to participate in the EAP Arrears Forgiveness benefit.**
- **Arrears Forgiveness is a 36-month program. Any arrears remaining at the end of the program will be considered a previous balance.**

Once enrolled in the EAP Arrears Forgiveness benefit:

- The account balance (arrears) is placed in withheld status at the time of enrollment.
- Each time the NYSEG/RGE bill is paid in full and on time, the customer will receive a credit toward their withheld amount. This credit will equal 1/24th of the original withheld amount.

Arrears Forgiveness (Cont'd)

A summary box will be displayed on page 1 of the customer's bill. This will show:

- Program End Date
- Original Withheld Amount
- Previous Withheld Amount
- Forgiveness Amount (on the current invoice)
- Current Withheld Amount

Arrears Forgiveness			Program End Date: 09/2013
Original Withheld Amount	Previous Withheld Amount	Forgiveness Amount	Current Withheld Amount

- **Customers cannot miss three consecutive payments. If three consecutive payments are missed, they will be permanently removed from the program.**

Remember:

**To remain on the program
customers need to:**

- **Be enrolled in the Basic Benefit, and**
- **Pay their bills each month in full and on time.**

Reconnection Fee Waiver

- **Energy Assistance Program customers may be eligible for one reconnection fee waiver a year.**
- **The amount of this credit can be up to 100% of the amount of the reconnection fee assessed at the time of turn on.**
