Real Property Tax Law Section 487— Exemption from taxation for certain energy systems

Under Section 487 of New York State Real Property Tax [Law](#) (RPTL), taxing jurisdictions are required to file copies of local laws and resolutions pertaining to the energy system exemption with the Department of Taxation and Finance and the New York State Energy Research and Development Authority (NYSERDA). NYSERDA provides this portal for easy digital filing of these local laws and resolutions.

NYSERDA notes that these local laws and resolutions are adopted and rescinded by local taxing jurisdictions, not NYSERDA or any other agency or department of New York State. Changes may be made periodically to the local laws and resolutions. Therefore, unless a copy of the relevant local law or resolution is filed by the taxing jurisdiction, NYSERDA shall not be aware of such changes.
