Dear Governor Cuomo:

Pursuant to Part SS of Chapter 58 of the Laws of 2015 (Part SS), I am pleased to provide you with the enclosed Green Jobs-Green New York (GJGNY) program financial status report. The report provides details of the funding for the GJGNY program as of March 31, 2015.

Part SS also called for NYSERDA to establish a working group to increase participation of low-to-moderate income (LMI) households in the GJGNY program. I am happy to inform you that the required working group has been formed, has met, and will make important recommendations to further address the needs of LMI households across the state. We will file a report no later than October 1 on the results of the consultations with the working group in accordance with Part SS.

Pursuant to the GJGNY Act of 2009, NYSERDA established an Advisory Council to provide input on the program. NYSERDA provides detailed information regarding the program to the Advisory Council at its regular meetings and also provides the Council with a monthly progress report; that progress report is posted on our website for all stakeholders to access. In addition, consistent with the requirements of the GJGNY Act of 2009, we publish an annual GJGNY report that is submitted to the Legislature, provided to the Advisory Council, and posted on our website. Enclosed is the latest Annual Report issued in September 2014 and the latest Monthly Report for the period ending February 28, 2015. The next meeting of the GJGNY Advisory Council is scheduled for June 9. At that meeting, we expect to provide additional information regarding the status of the program, which I will also provide to you after the meeting.

Please let me know if I can be of further assistance to you, your staff and your colleagues.
