Installation Company Certification (to be completed by the Installation Company)

As the Charging Infrastructure Installer, I attest to the following:

1. I (Installation Company) certify that the charging equipment described above has been installed in compliance with all applicable local, State, and Federal codes, rules, and regulations.
2. I also certify that, in completing the installation of the charging equipment, the project complies with all relevant prevailing wage rules, as described in Section 3.2 of the NYSBIP Implementation Manual.
3. I also certify that I have received payment for my work related to this Charging Equipment. I hereby waive, release, and relinquish any and all liens and claims for liens for improvements related to the electric vehicle charging station installation (Labor and/or Materials furnished) through the date listed below (Release Date) and certify that no other party has any claim or right to a lien on account of any work performed or material furnished by the Installation Company to the undersigned for the installation of the Charging Equipment described above.
4. I certify that I have full authority to execute this lien waiver on behalf of my Company.
